AUSTIN AND BANTAM VEHICLE INFORMATION. Print exactly as you want it to appear in the AABC membership roster. Engine, body, and frame number will NOT appear in the Roster. American Austin and Bantam engine numbers are stamped into the crankcase above the starter motor. Body numbers are stamped on a metal plate located on the cowl, above the fuel tank, under the hood. American Austin frame numbers are stamped on the driver's side frame rail below the oil filler tube, behind the front frame rivet. Ownership of an Austin or Bantam vehicle is not a requirement for membership.
